Jewish Studies Program at the University of Pennsylvania

Meltzer Internship Application

Fall 2020

The Jewish Studies Meltzer Internship Program enables students to explore the intellectual dimensions of Jewish studies outside the classroom. During the semester, interns will develop and organize one event for students. Programs might include a discussion with a scholar, a panel discussion, a performance, or any other event that raises issues relevant to Jewish studies. The Meltzer Faculty and Grad Coordinators will assist with conceptualization and with clarification of financial and technical needs. Each intern will have a $200 programming budget for the Meltzer event, and each will receive a $200 research stipend.

Please note that due to the on-going pandemic, the entirety of the Meltzer Internship will be conducted remotely. All planning meetings will be conducted over Zoom and all events must take place over Zoom or by remote means.

1) Name: ________________________________________

2) Address: ______________________________________
   _____________________________________________

3) E-mail: _______________________________________

4) Class Year: _________________________________

5) Major/Minor: ______________________________

6) Have you taken/ are you taking courses in Jewish Studies (please list them):
   _____________________________________________
   _____________________________________________

7) In a brief paragraph (to be attached to this form), explain your interest in becoming a Jewish Studies Intern, and the type of programs in which you would be interested in participating. Please give examples of specific events or event-types that you would wish to organize and be sure to link these ideas to your academic pursuits / academic interests.
