Jewish Studies Program

Meltzer Internship Application

Fall 2018

The Jewish Studies Meltzer Internship Program enables students to explore the intellectual dimensions of Jewish studies outside the classroom. During the semester, interns will develop and organize one event for students. Programs might include a discussion with a scholar, a panel discussion, a performance, or any other event that raises issues relevant to Jewish studies. The Meltzer Faculty and Grad Coordinators will assist with conceptualization and with clarification of financial and technical needs. Each intern will have a modest programming budget for the Meltzer event, and each will receive a $200 research stipend.

1) Name: ________________________________________
2) Address: ______________________________________
   ______________________________________
3) E-mail: _______________________________________
4) Class Year: ________________________________________
5) Major/Minor: __________________________________
6) Have you taken/ are you taking courses in Jewish Studies (please list them):
   ___________________________________________________
   ___________________________________________________
